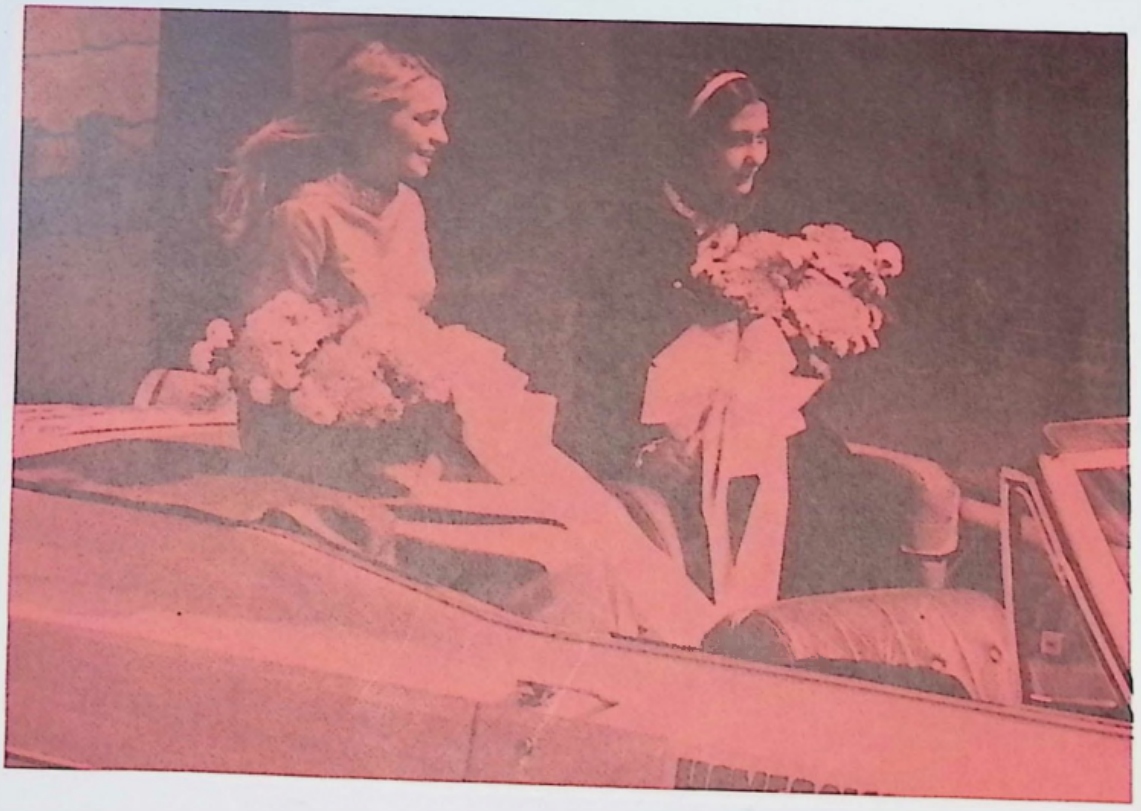
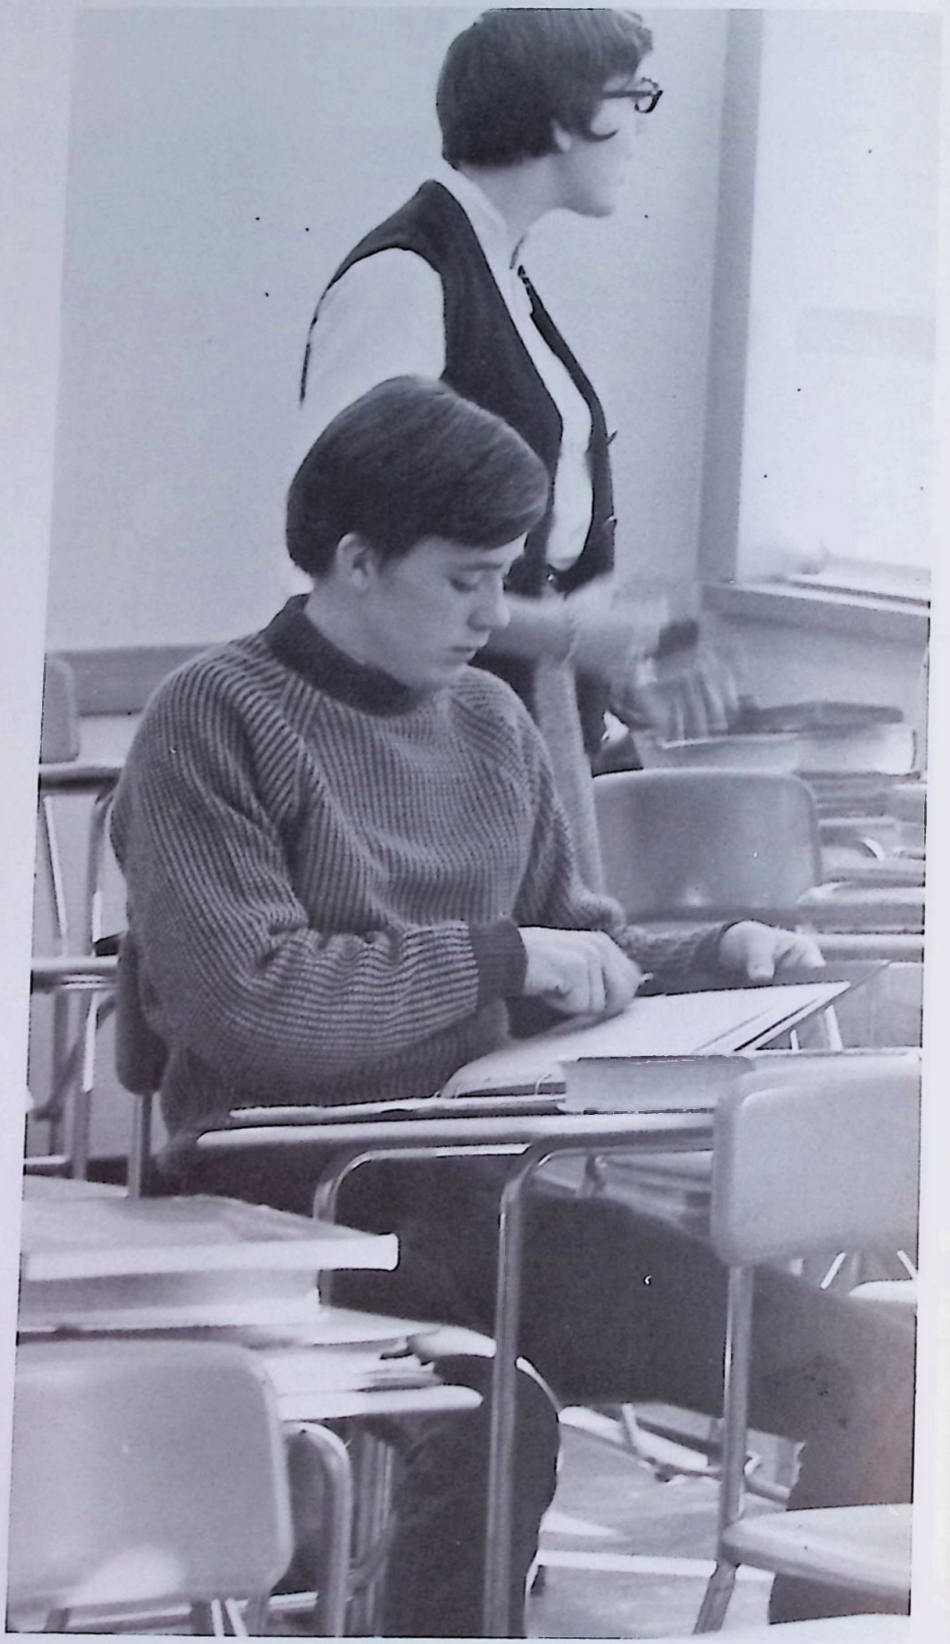
There is nothing in
the SOUTHMORELAND EXPERIENCE
like autumn —
Wind, football, trumpets, cymbals
Drums . . .
All the excitement that is growing up.

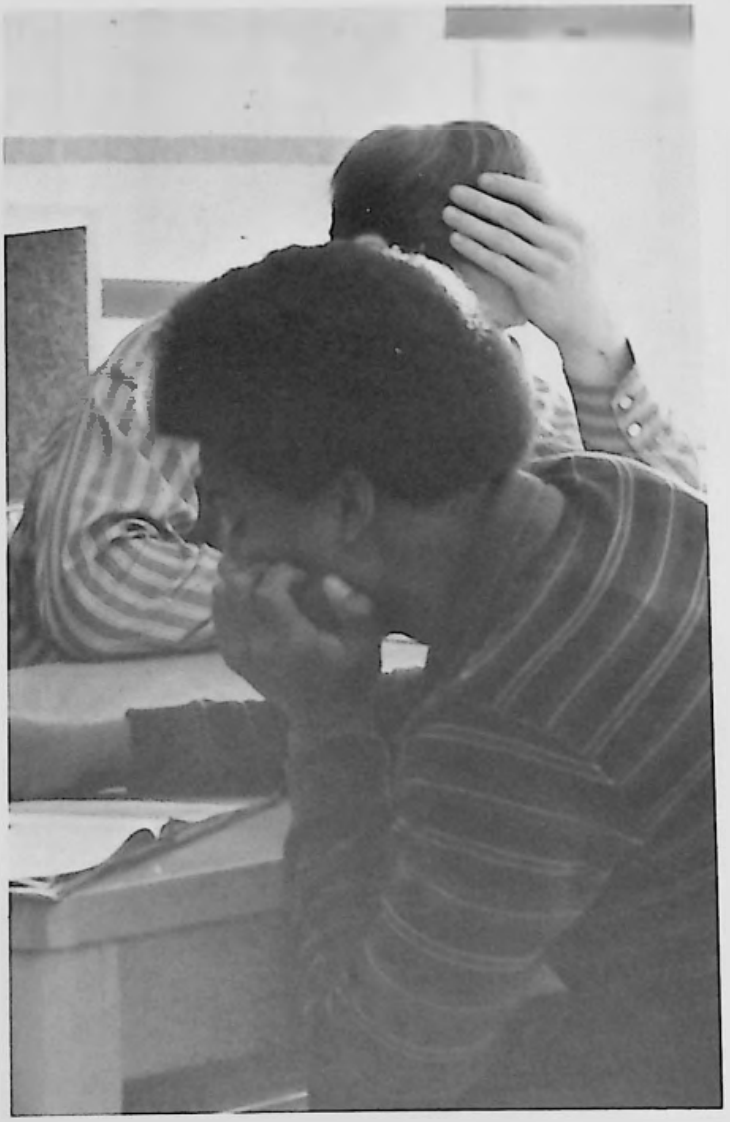
Everyone Loves a Parade



Autumn introduces
a process of becoming —
or becoming a
Senior, a Junior, a
Sophomore,
a queen, a fan,
an athlete,
a student —

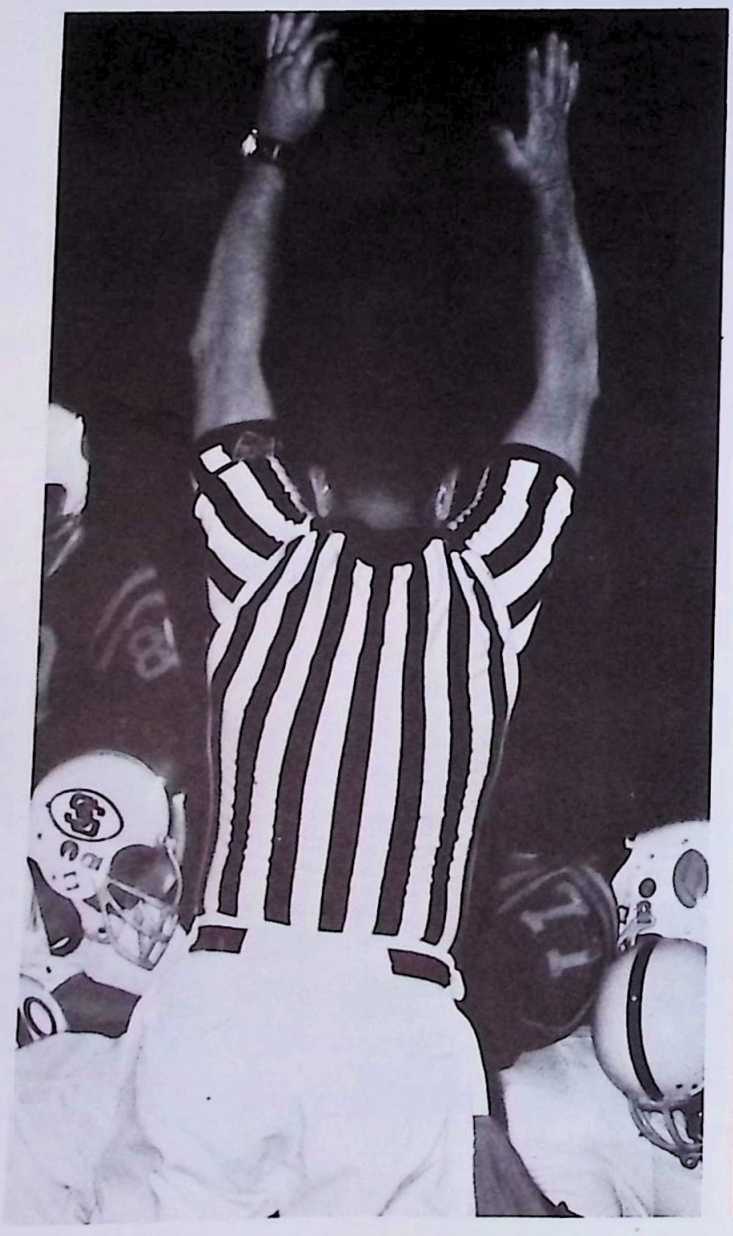
Of becoming once
again
a part of the
experience
of meeting a new year.





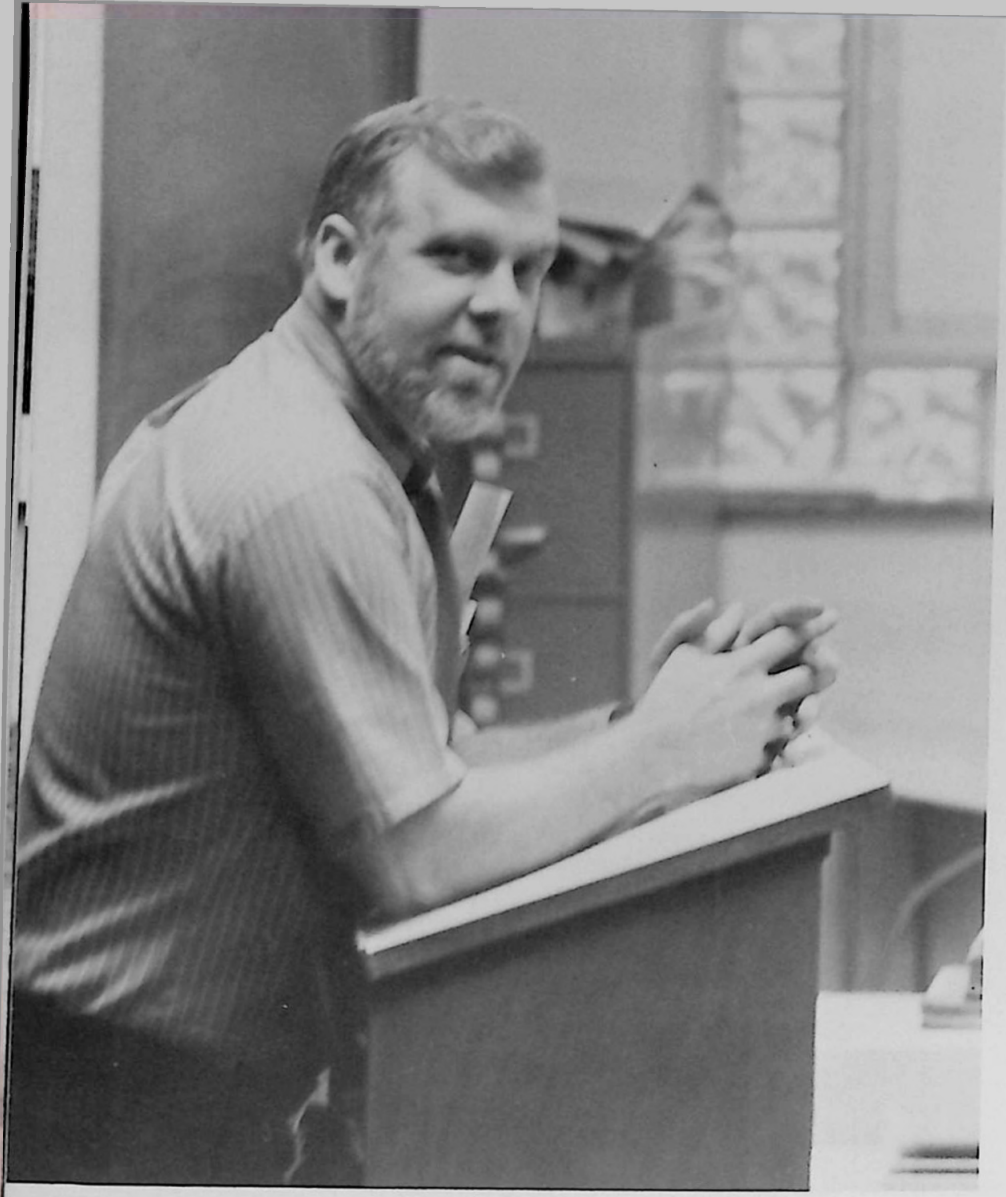
A time
for
all things

The Experience of FALL. . .



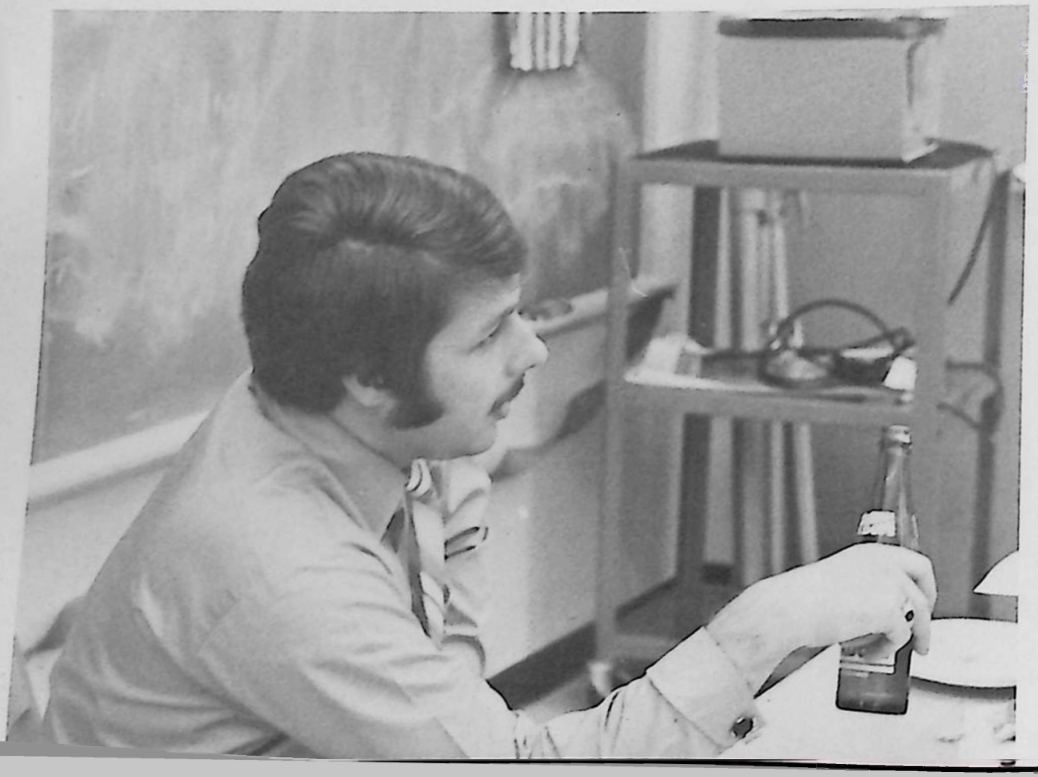
CONTEMPLATION
TEAMWORK
STIMULATION
HUSTLE
CONCENTRATION
DESIRE

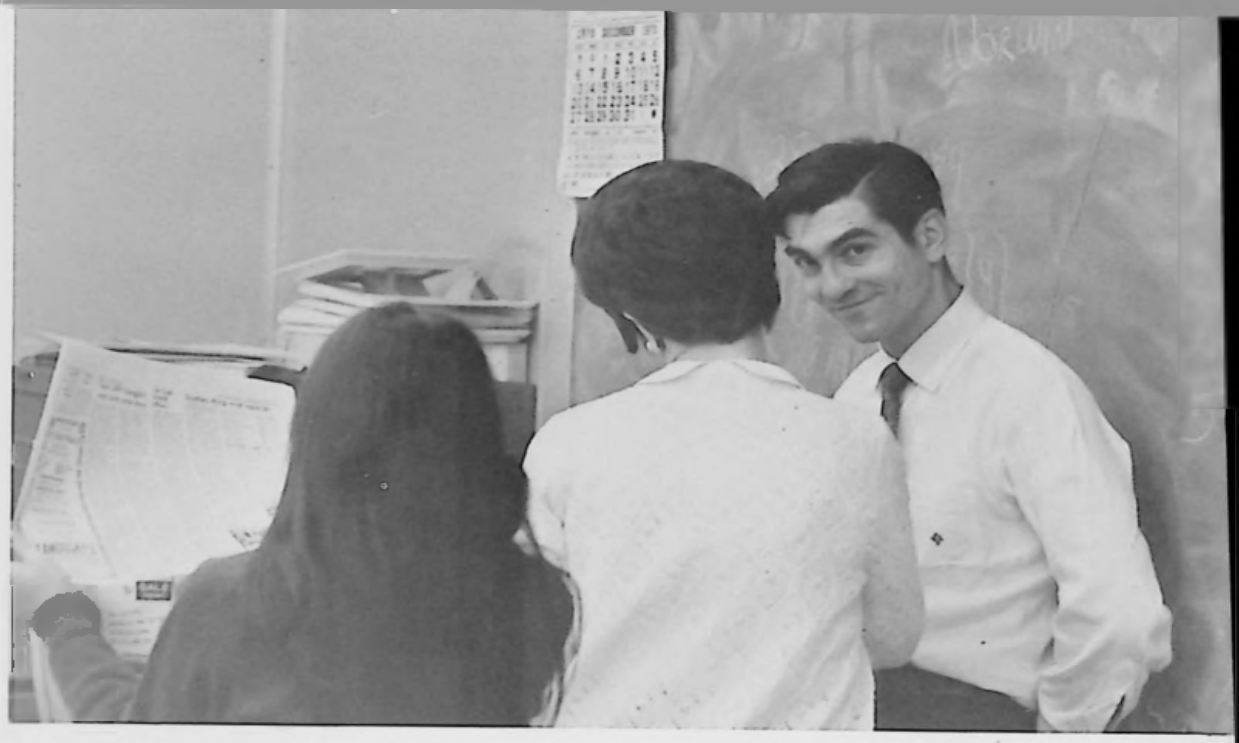
. . . Creates Emotion,
Creates Men.



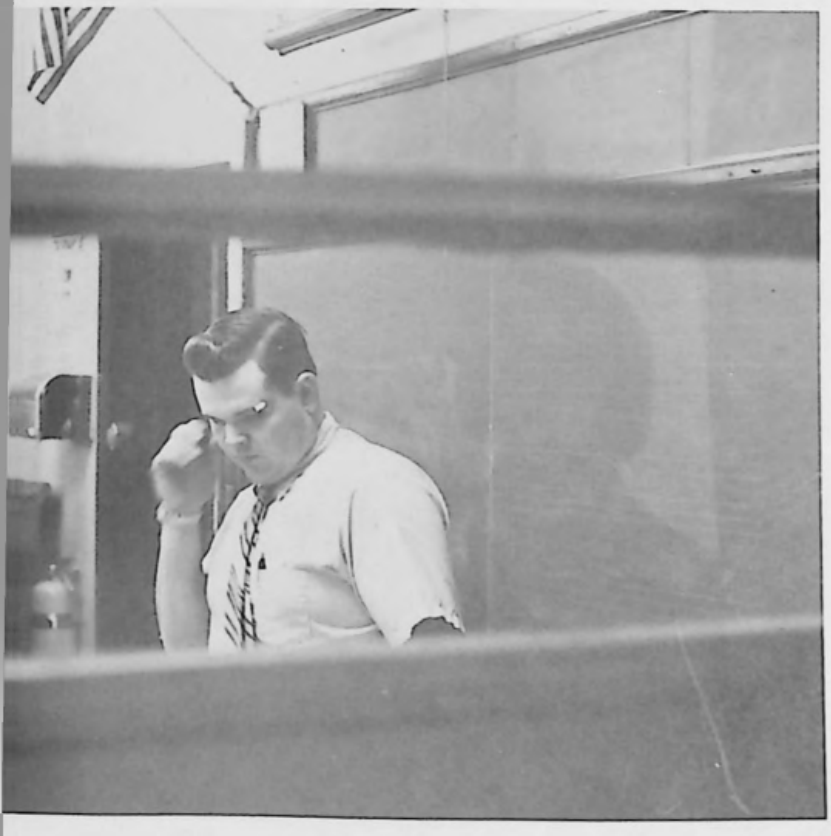
Teachers.
Demanding, frustrating,
incomprehensible,
stubborn beings from
another world who,
nevertheless,
evolve into people.
Human beings
with opinions, feelings,
humor, and worth.

Teachers

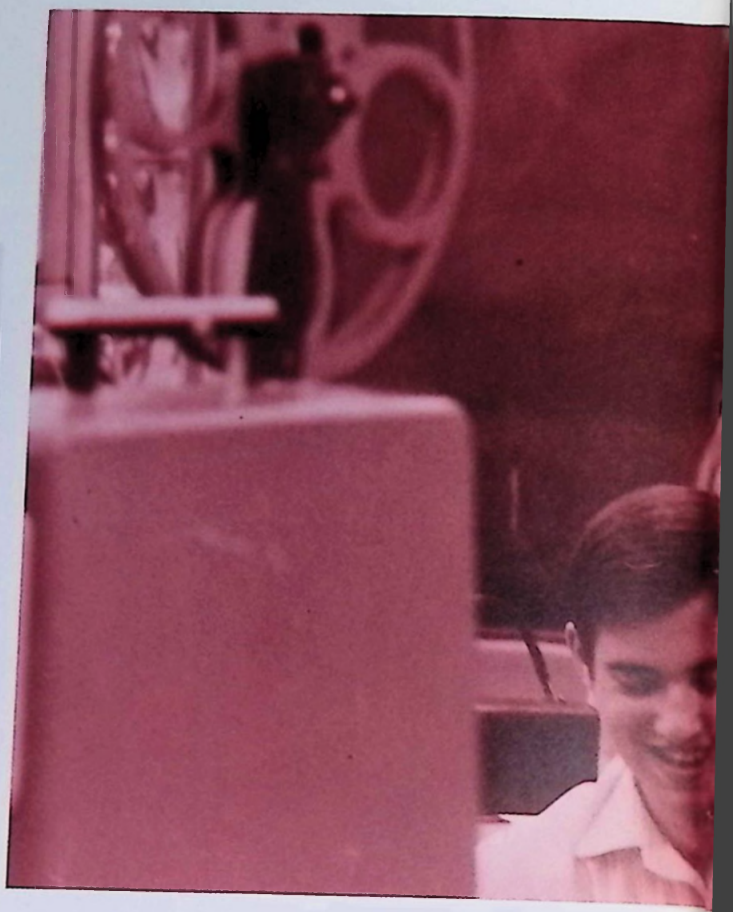


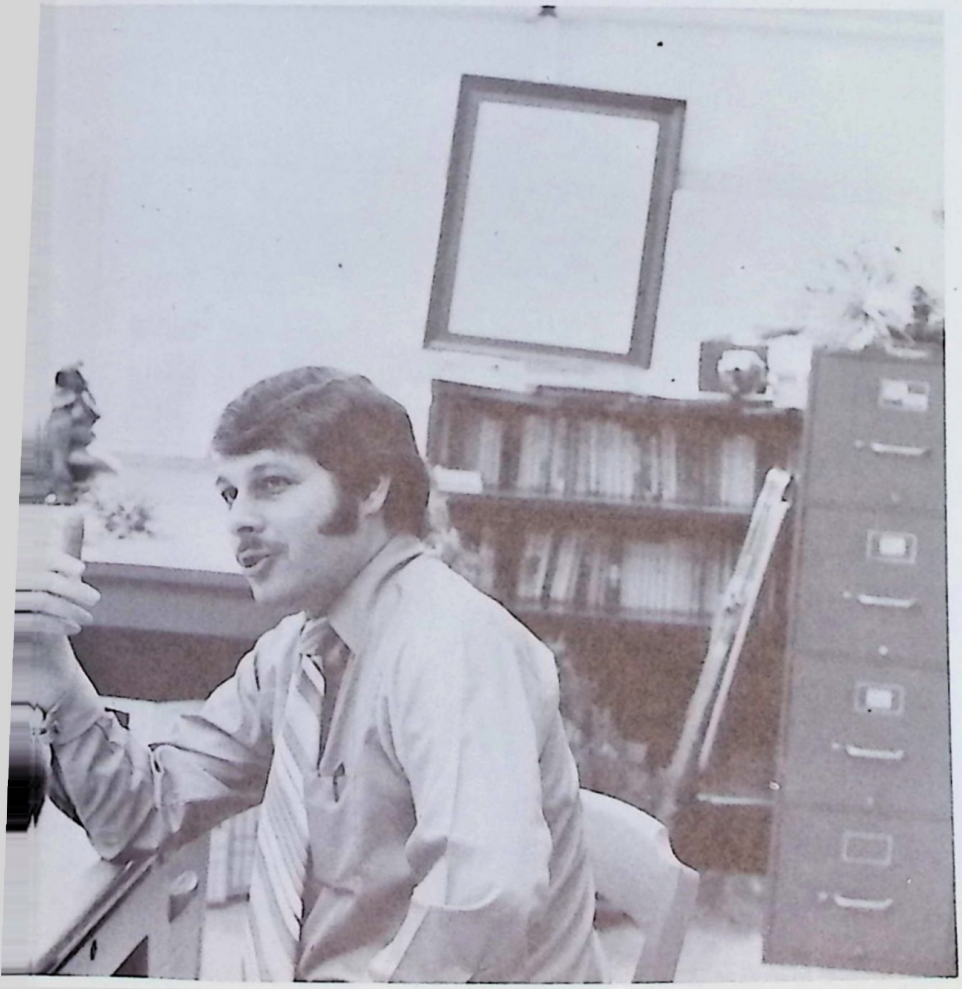


Teachers

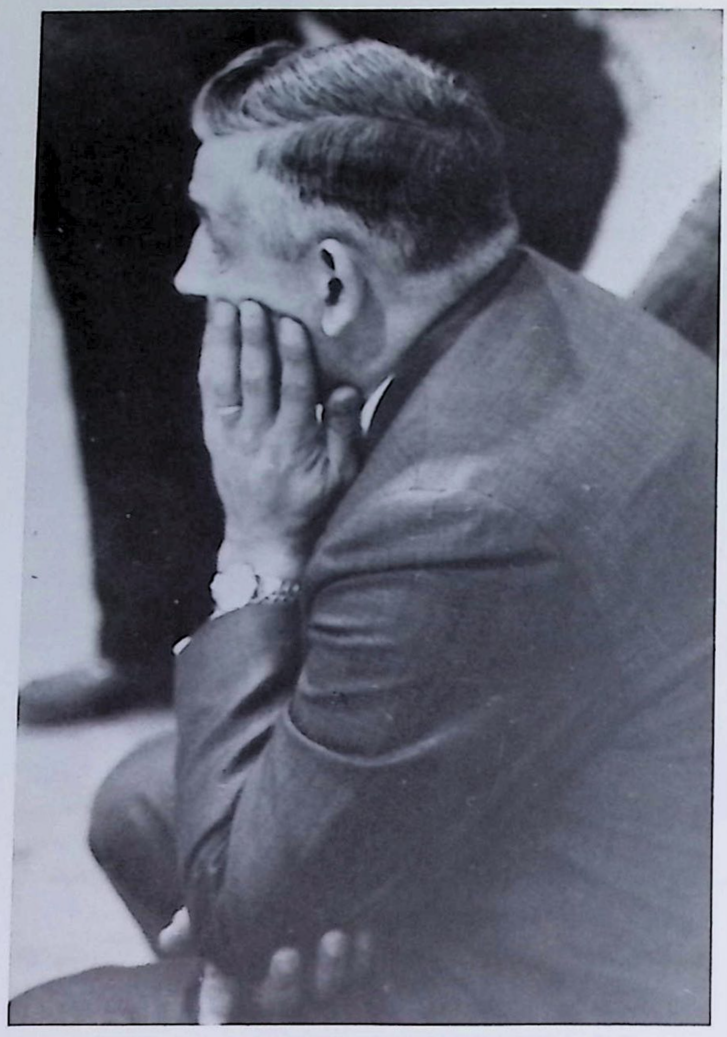


The projector frames faces —
expressions:
Wonder, Effort,
Surprise,
Embarrassment.



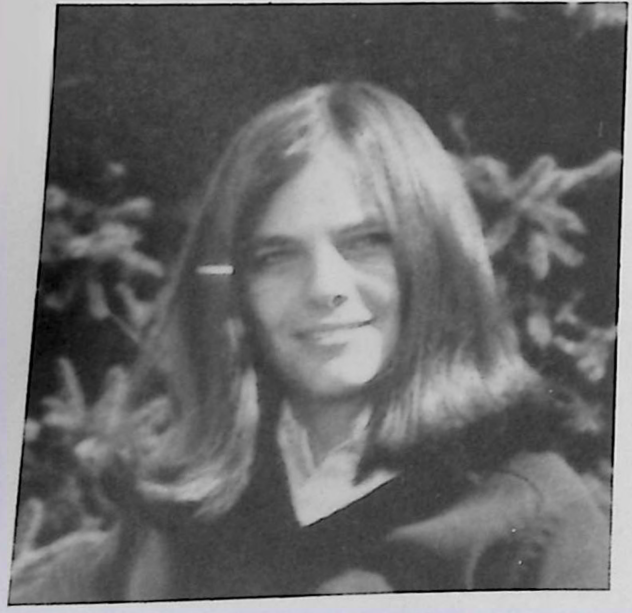


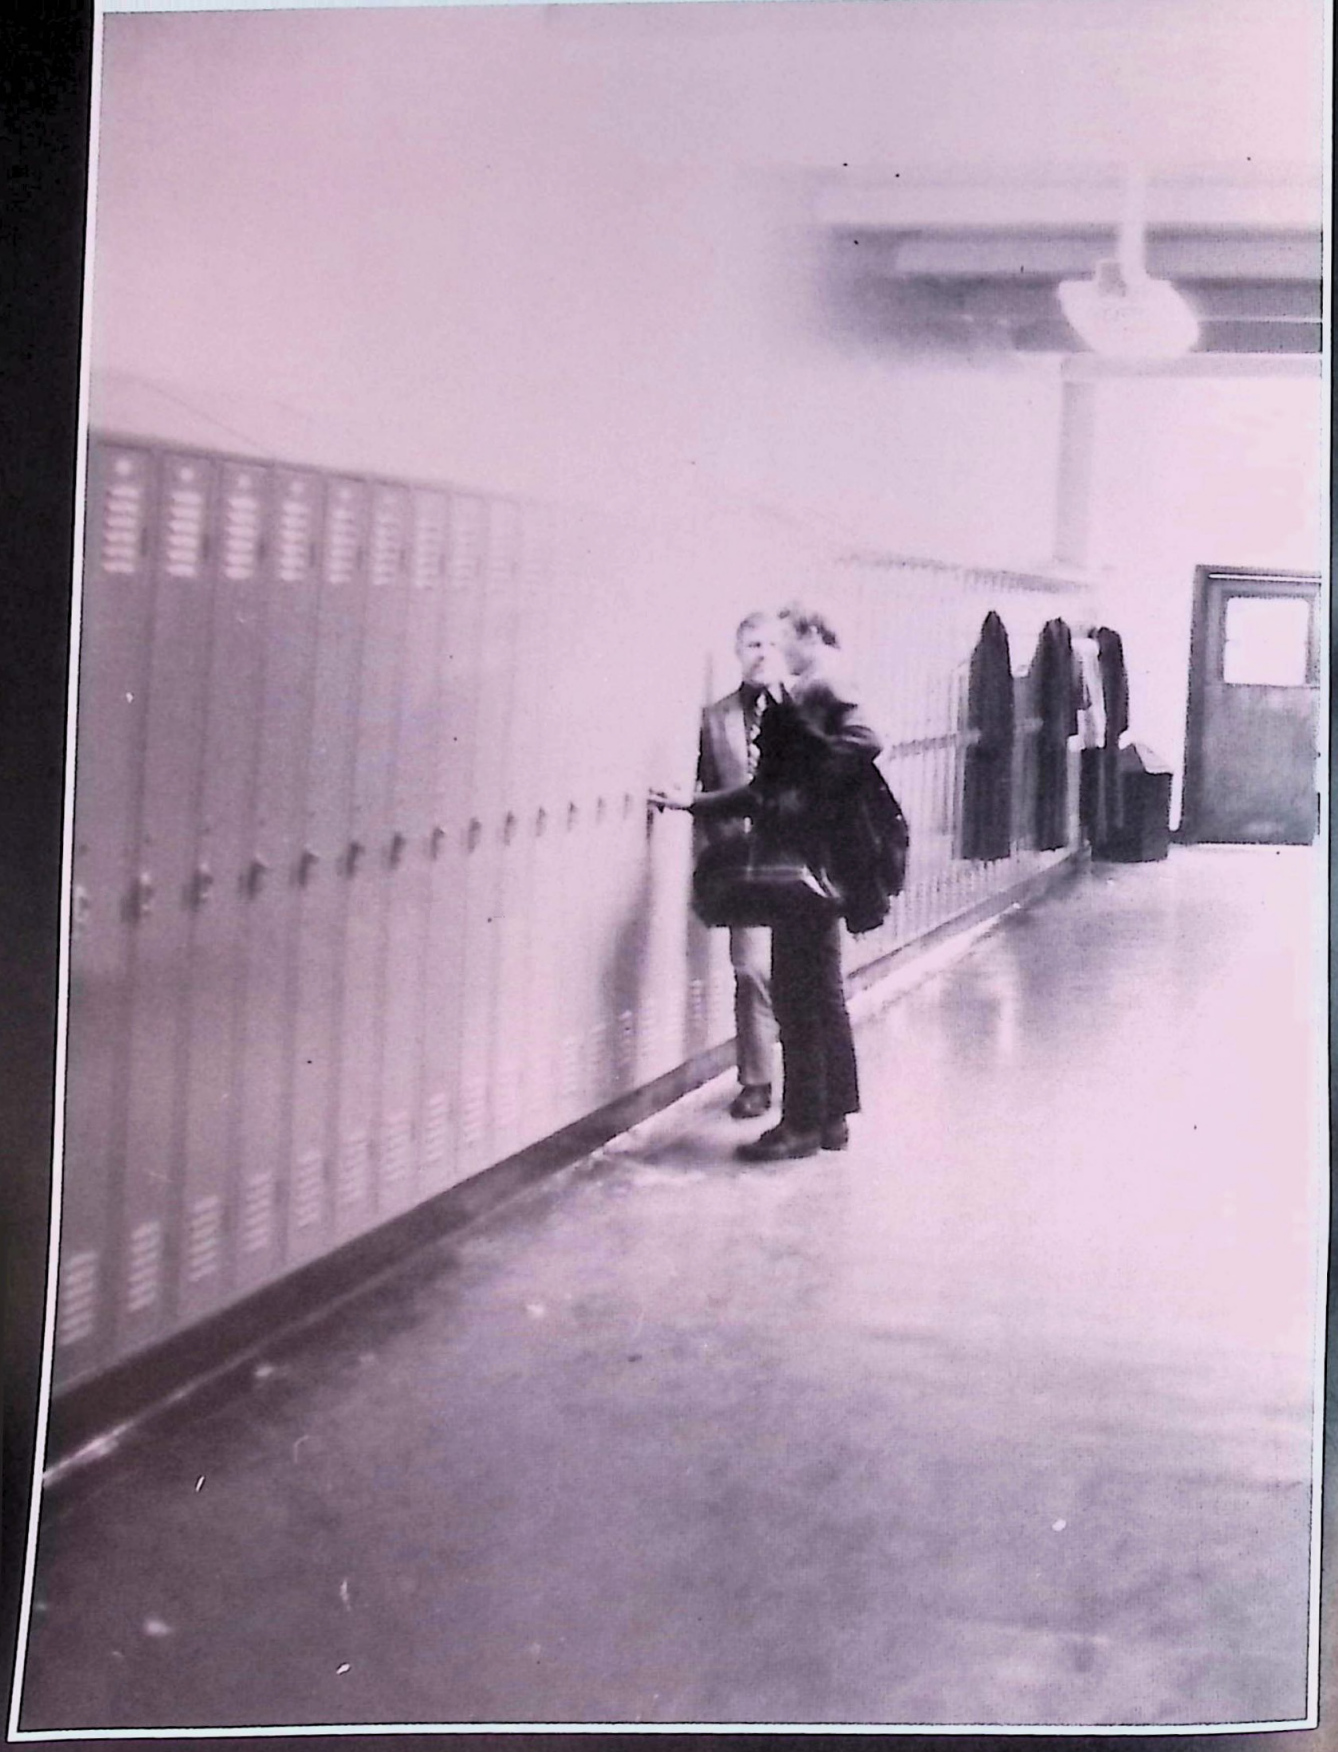
Snapshots
of people
frozen
in action.



PEOPLE . . .

and the faces they wear
tell the continuing story of the
SOUTHMORELAND EXPERIENCE.
Pretty girls, smiling boys, thinking teachers, anxious sideline watchers,
an over-worked principal all become important to the saga of life at
Southmoreland. Faces in the gallery of 1970-71.





ACTIVITIES

Homecoming!

October 3, 1970

For some — old grads perhaps —
there is nothing quite like
Homecoming.
Experiences are for the young
and old alike —
The young live those experiences,
While the old remember them.

Happiness
Is
Being Surprised,

Especially at
Homecoming.

To become Royalty:

. . . an experience to remember

. . . filled with smiles and tears

. . . with memories

. . . with timeless significance

. . . an experience to remember

EDITORIAL:

CHANGES — GOOD OR BAD

Southmoreland Senior High School has seen some great changes in the past year, surprisingly, with much less than the normal amount of conflicting attitudes and confusion.

One major change is the dress code, or shall we say, the lack of a dress code . . .

This is a vast improvement which shows signs of progress and evidence of greater tolerance than is exercised in most high schools throughout the nation . . .

The authors of this article would like to thank the administration and faculty of the Senior High for allowing and accepting this expression of the students individuality.

Some experiences don't even happen.

Not long after the last
football game
fall rushes into winter.
And all too quickly school
becomes an endless and
unvarying pattern of home rooms,
classes, lunchtimes,
bus rides, three minute breaks,
study halls,
droning voices, assignments,
gym routines, quizzes,
quizzes, and more
quizzes.
There is, however, beneath the
pattern the continuing buzz
of life
that makes the winter tolerable
and sometimes loads of
fun.
In spite of outward appearances
the Southmoreland EXPERIENCE
continues
and moves turtle-like
toward
Spring.

Winter is the season
of
diversions. A time
for finding things to do
to break the monotony of
classes and bus rides.
Some diversions are academic —

activities are
purely
for the fun of it . . .

Activities like disobeying
signs and rules, watching
pretty girls,
playing the guitar
while relaxing in the

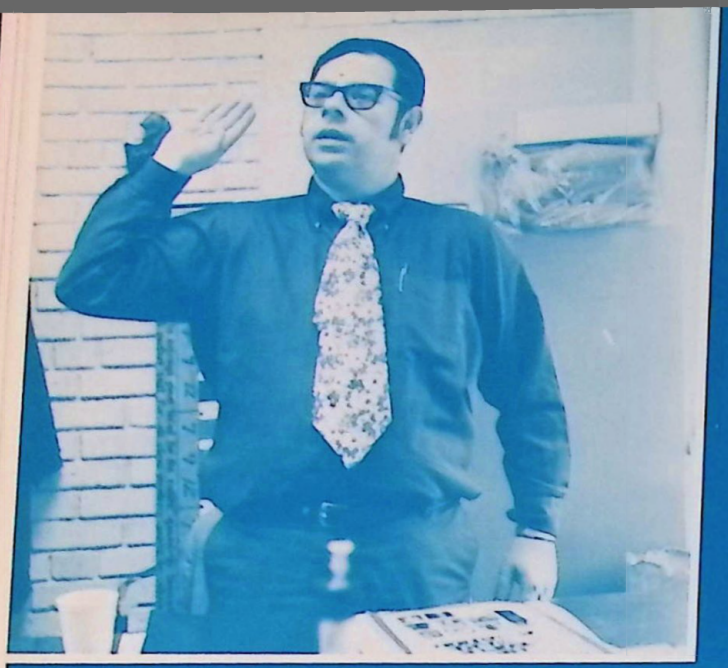
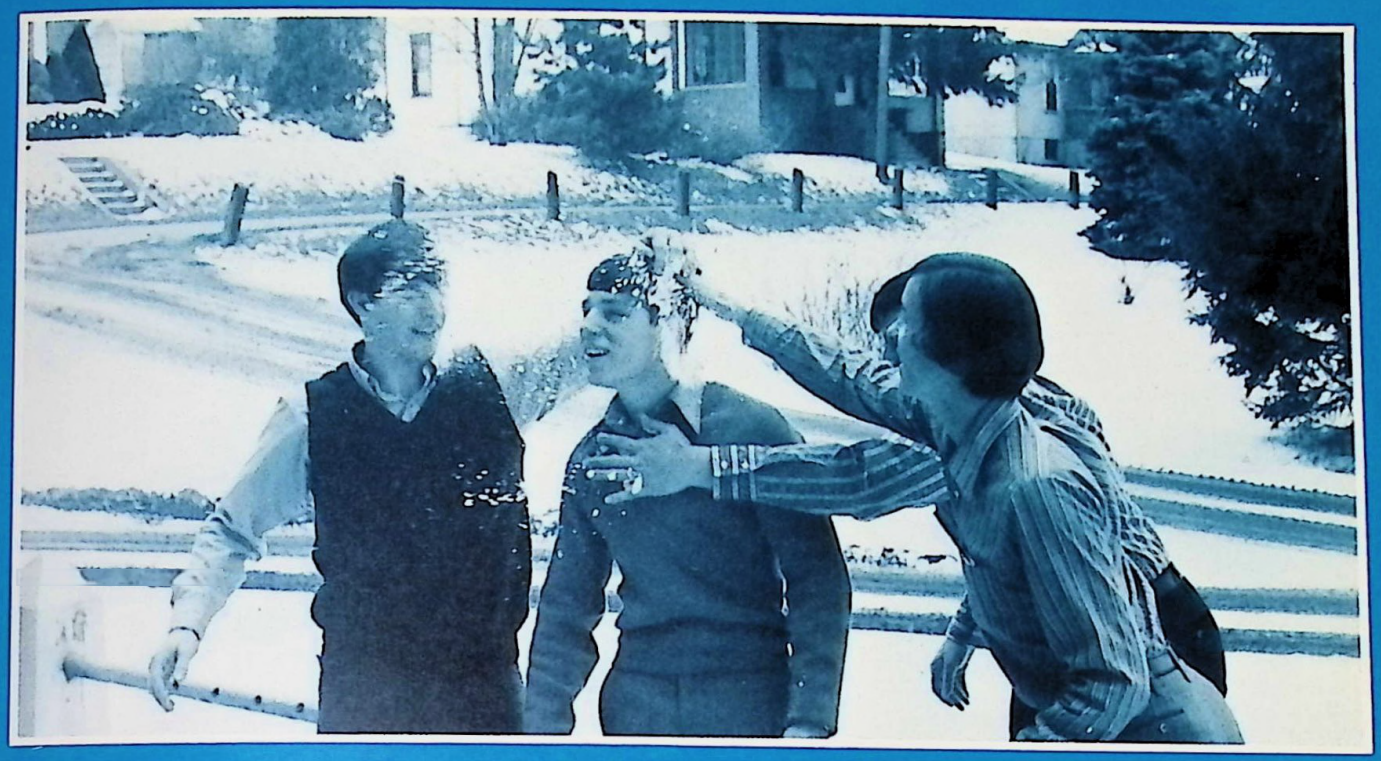
of the band room . . .



Sometimes
diversions are not spontaneous.
They are created out of both
a need
and
a complete desire to be a part
of an organization.
Captain HISTORY and the
History Rangers, for example,
or L.O.W.F., or The Frog Club.



On the other hand,
diversions are as unorganized and spontaneous as a snowball fight
during which there are, of course, all the elements of winter and freedom.

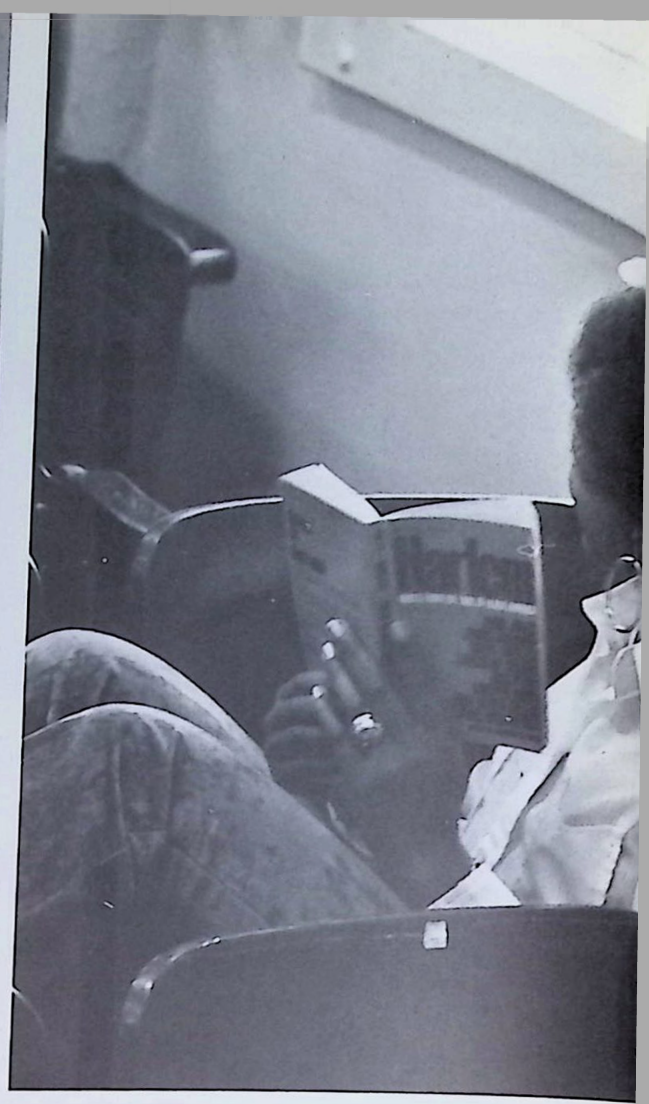
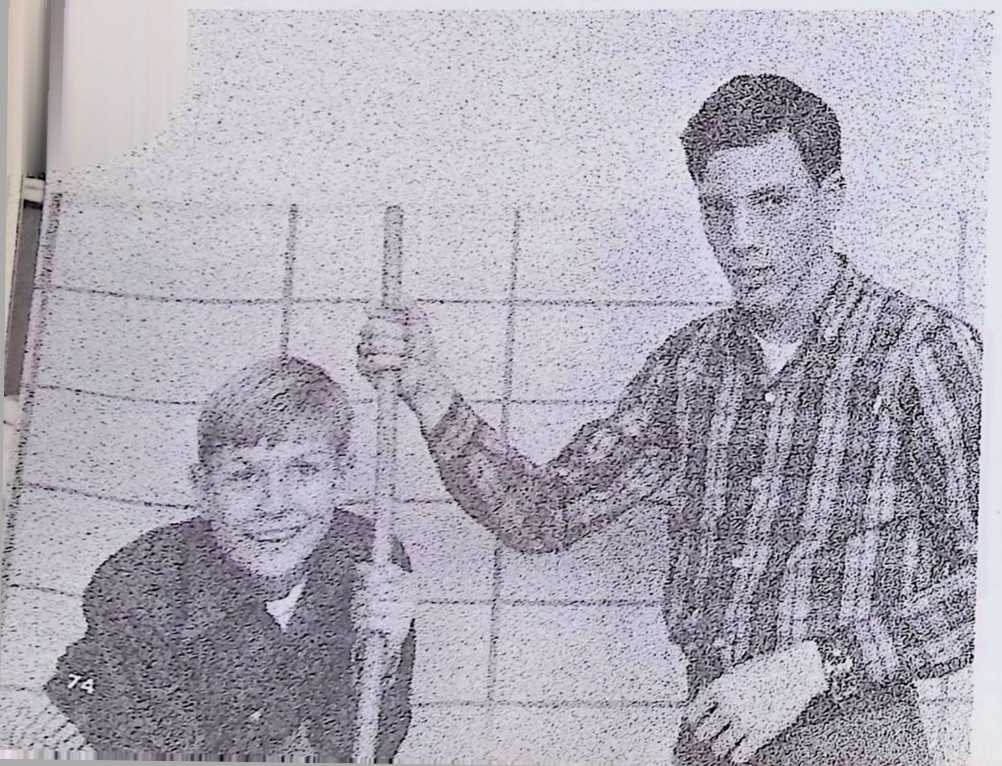
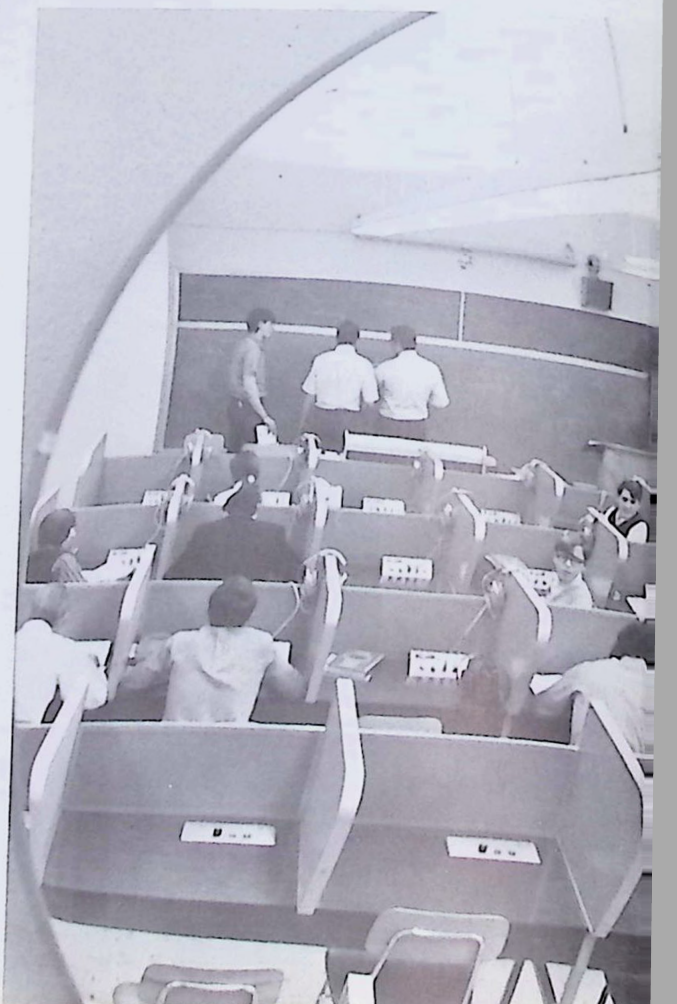
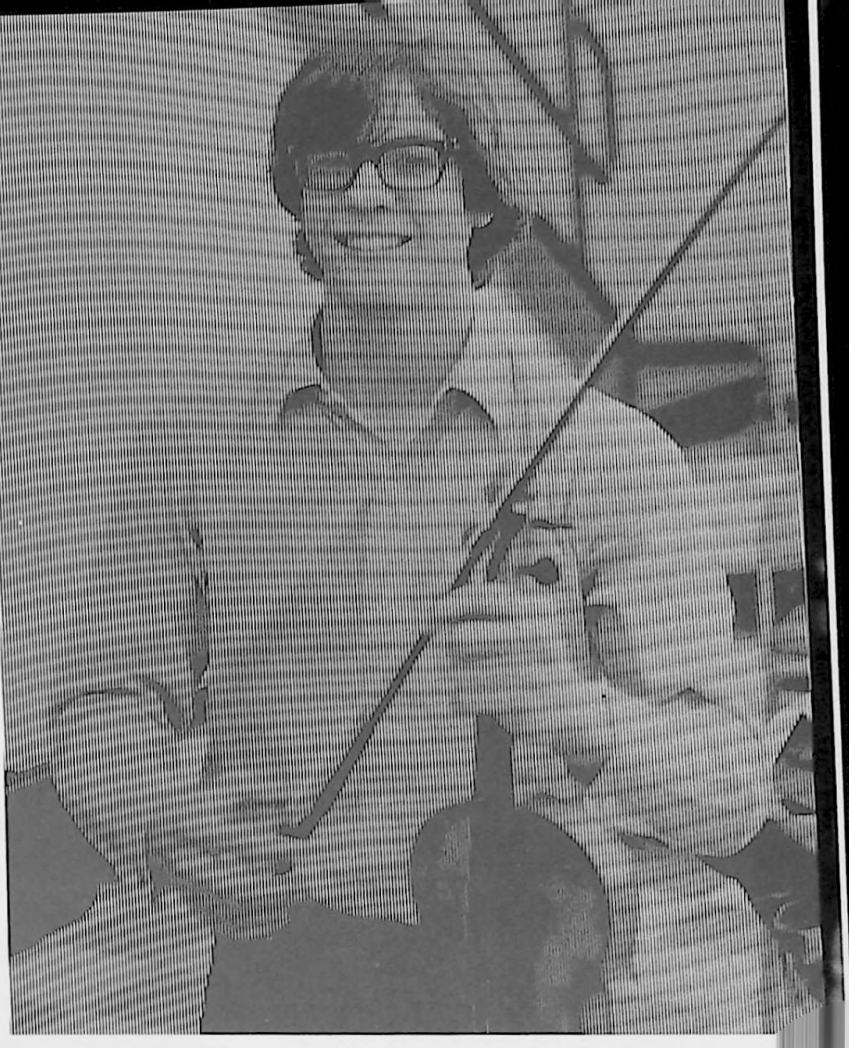
Wintertime —
Fun,
Classes,
Boredom.

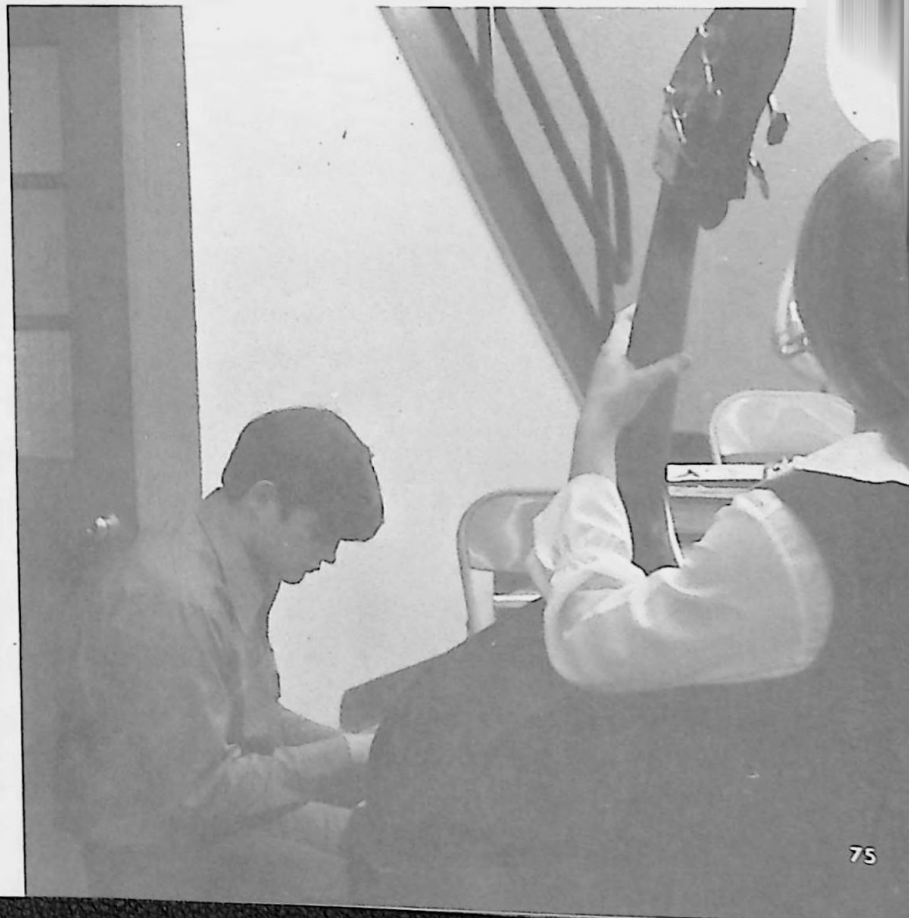


People always find things to do in the winter.
Whether those things are constructive is
a debatable point.
But so long as fooling around is fun,
who really cares about constructive things.

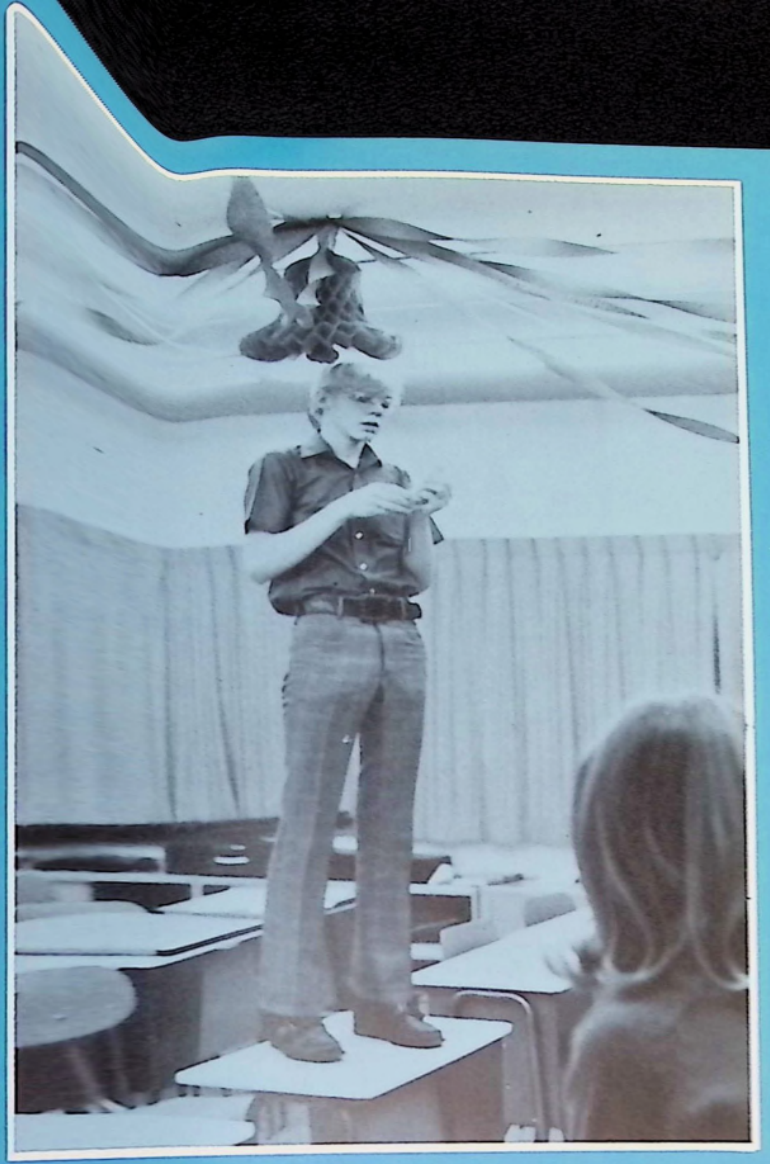


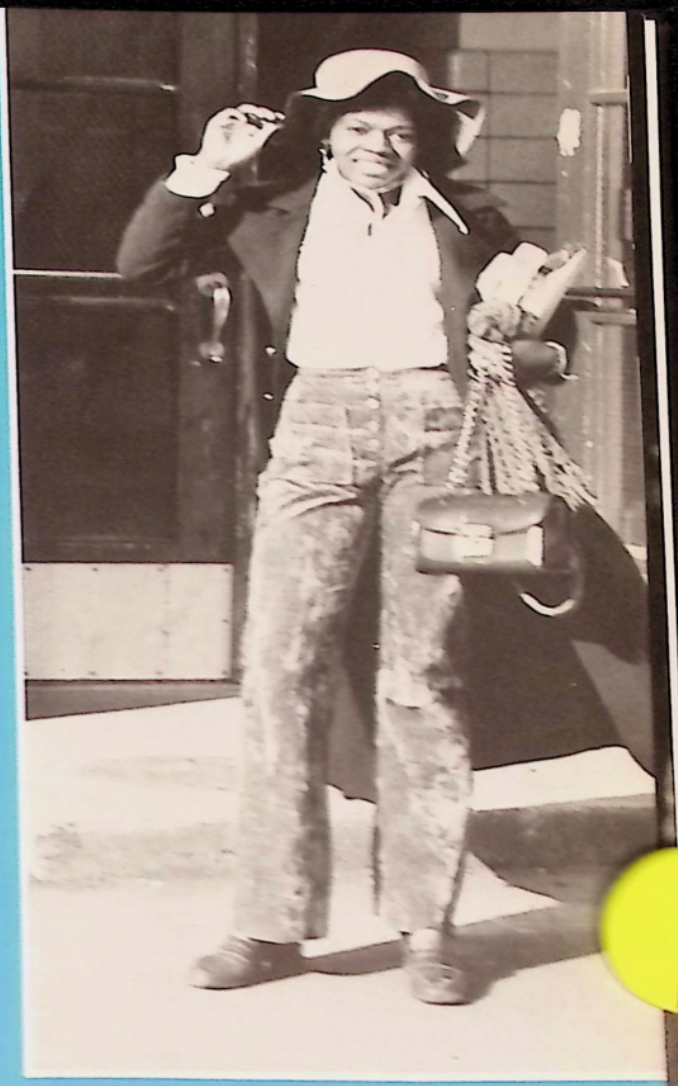






The Power of Winter





Winter

When the winds
blow
cold
and the snow
flies
the grapplers and the shooters
take over — inside —
where tights and shorts can be
worn and where the fans can
defend themselves against
the elements. Activities
away from winter's
unpredictable
moods.

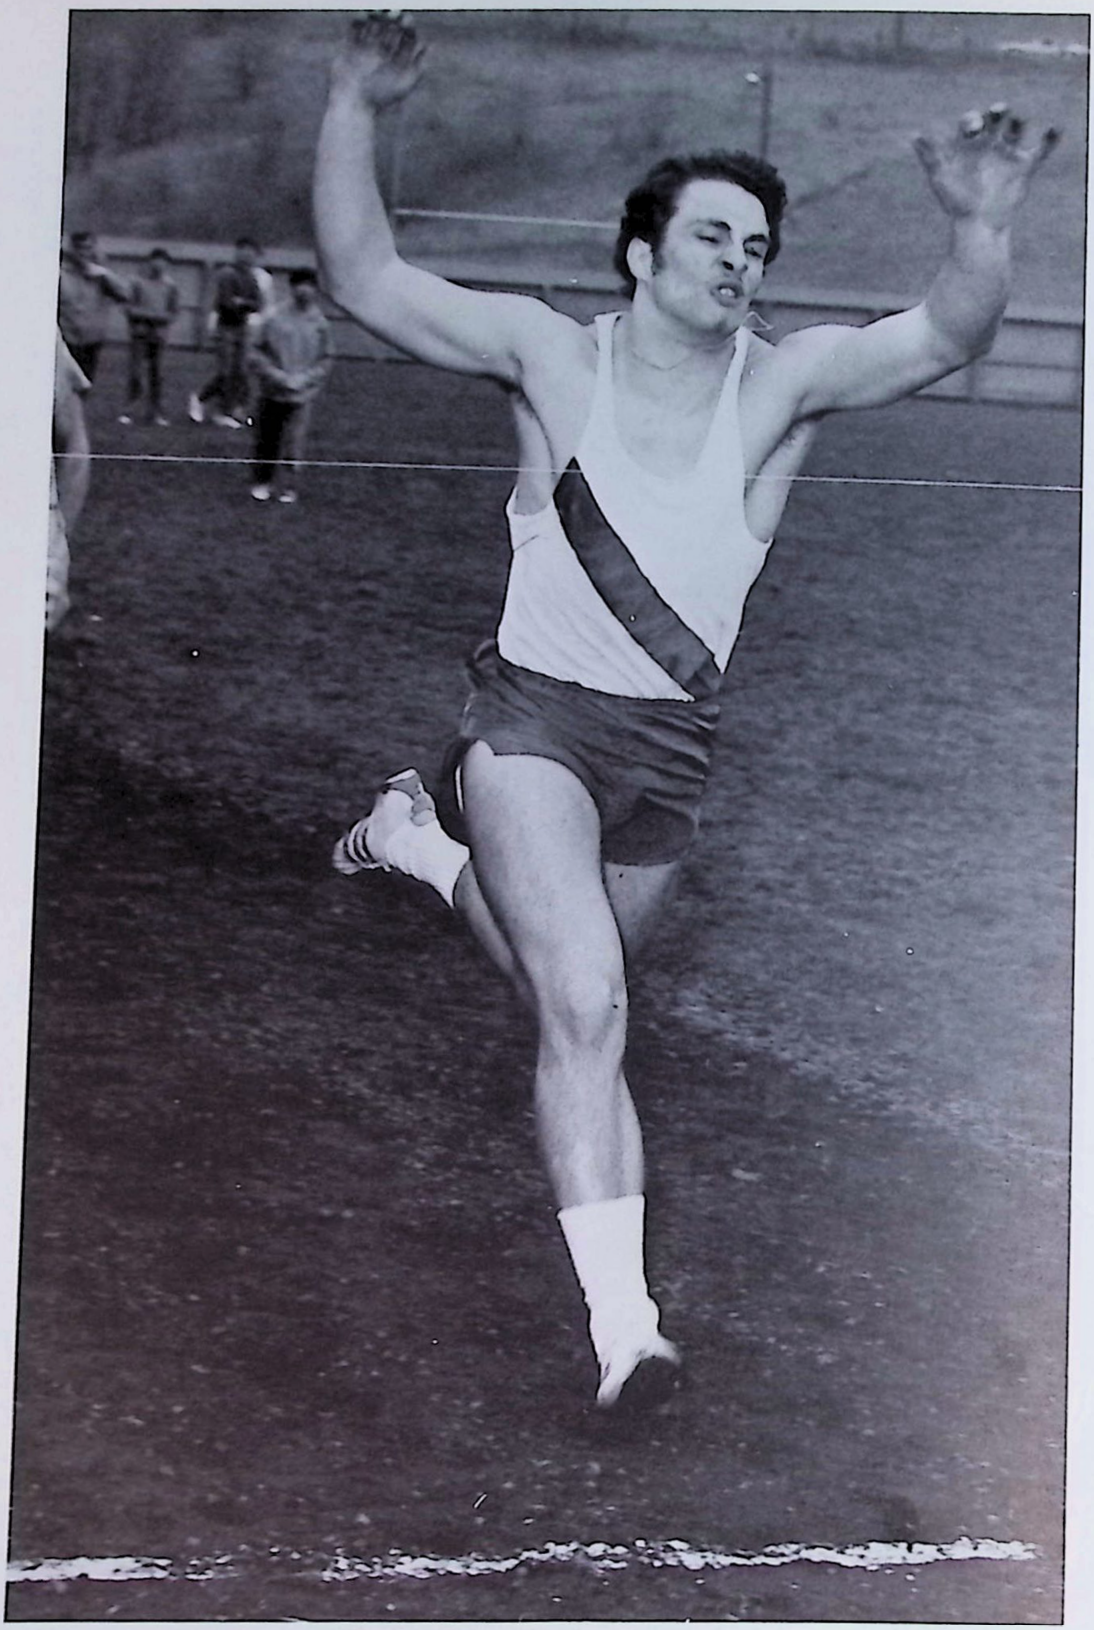
Why Do Men Run?

Describe Victory!



Almost always Southmoreland has produced
Runners, Jumpers, Hurdlers, Throwers, and
Vaulters with the ability, stamina and determination
to survive the rigors of intense competition.
The experience
of winning is only surpassed by the knowledge
that a personal barrier has been reached — that
a private victory against pain has been achieved.

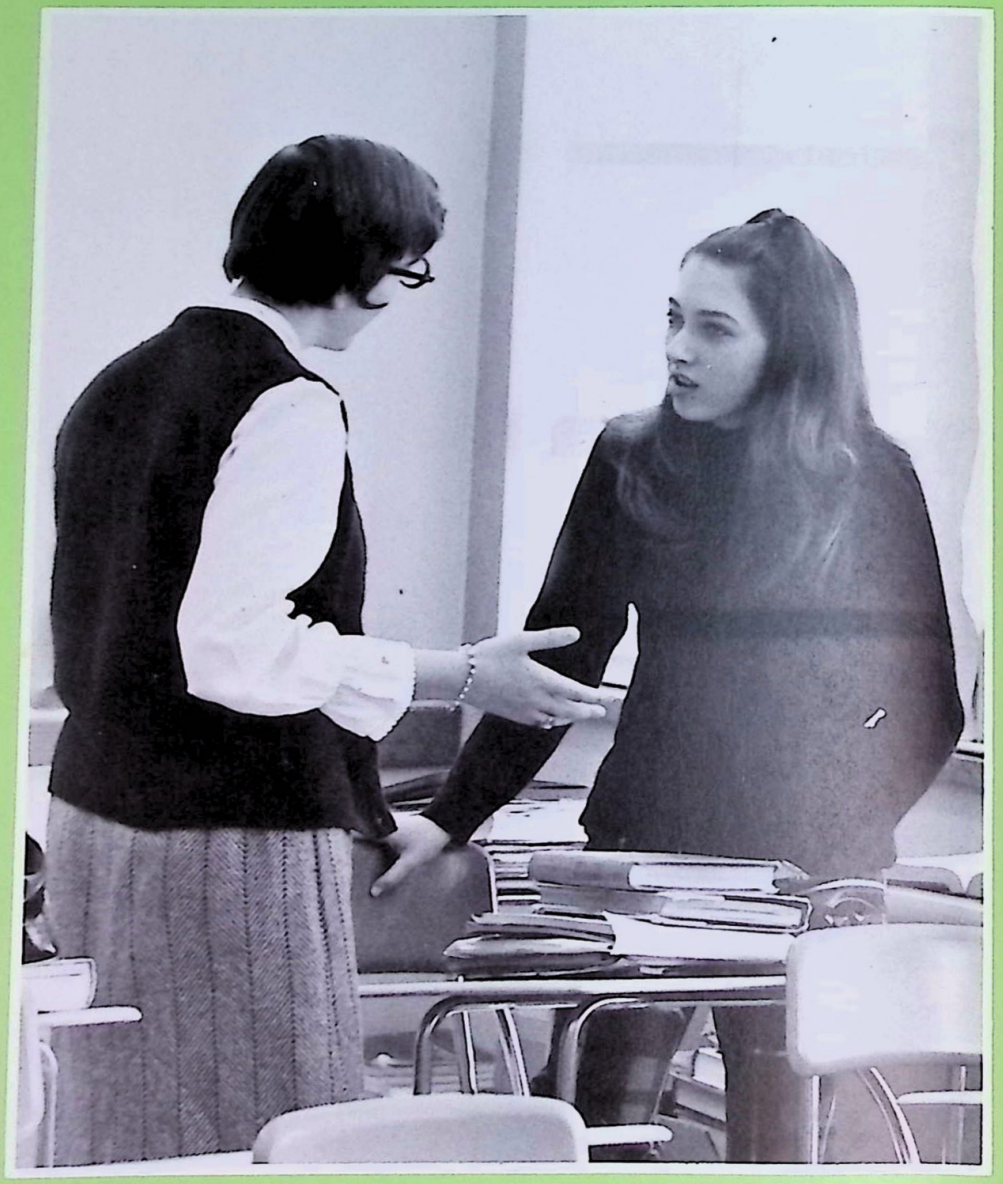
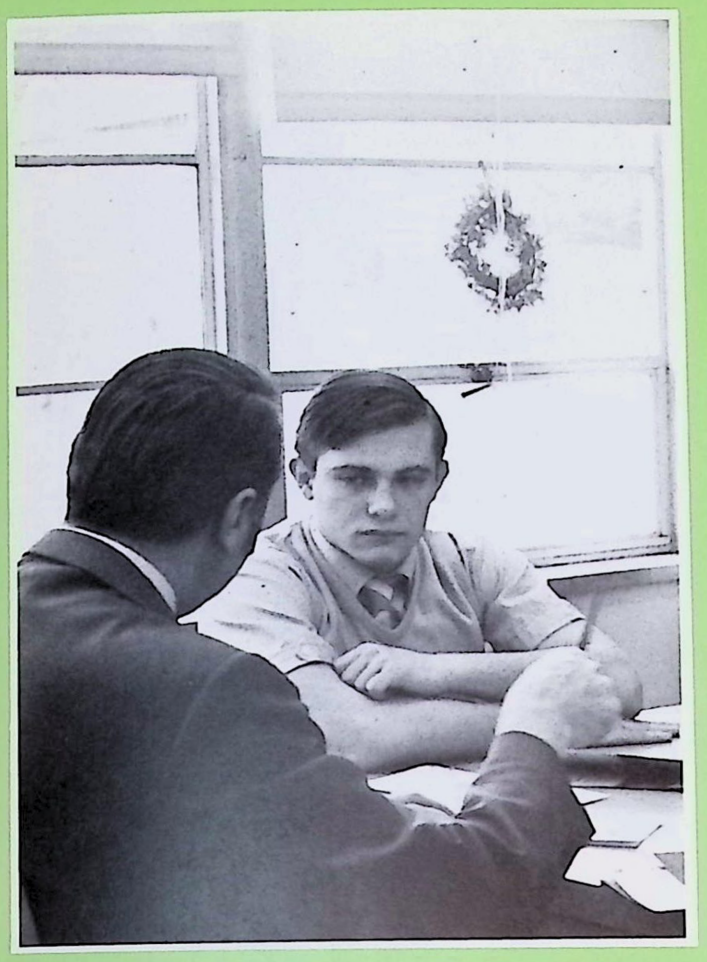
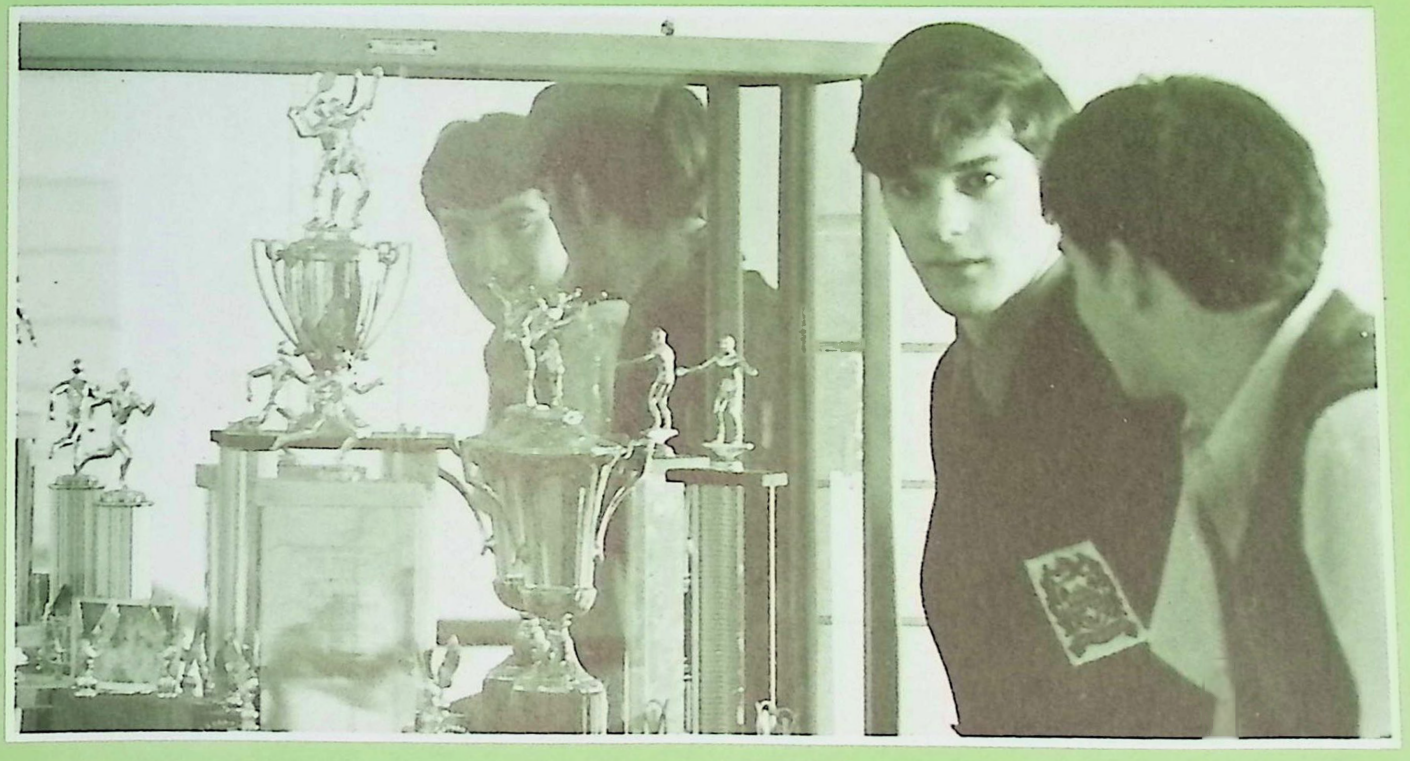
The Southmoreland High School Senior Class

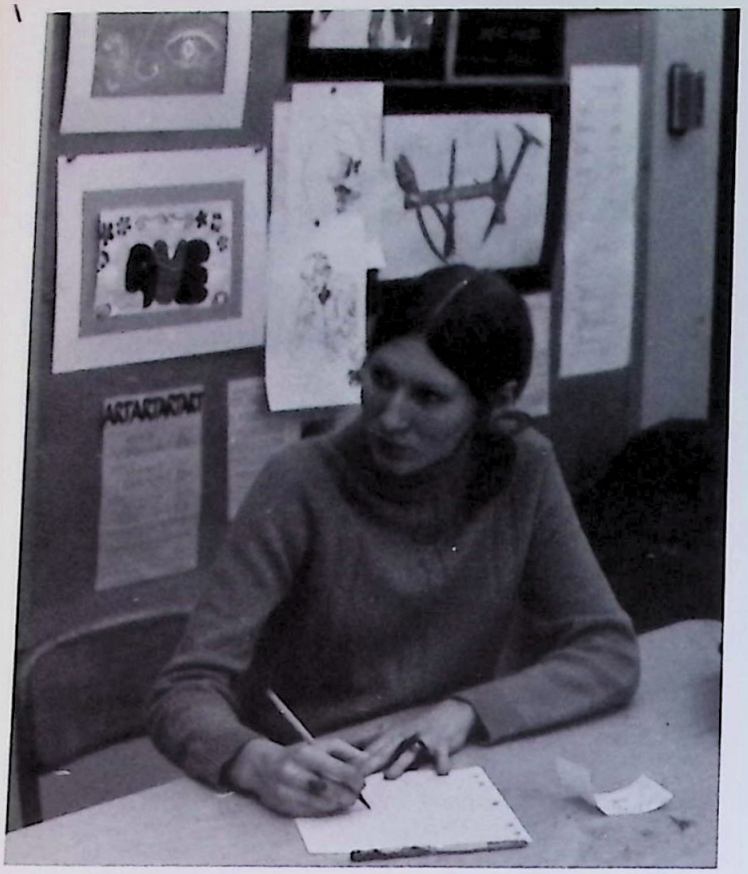
Being a senior means
looking both
inside and outside —
Inside to decisions
concerning
the future;
Outside to problems
of the world, to society
to college, and to work.



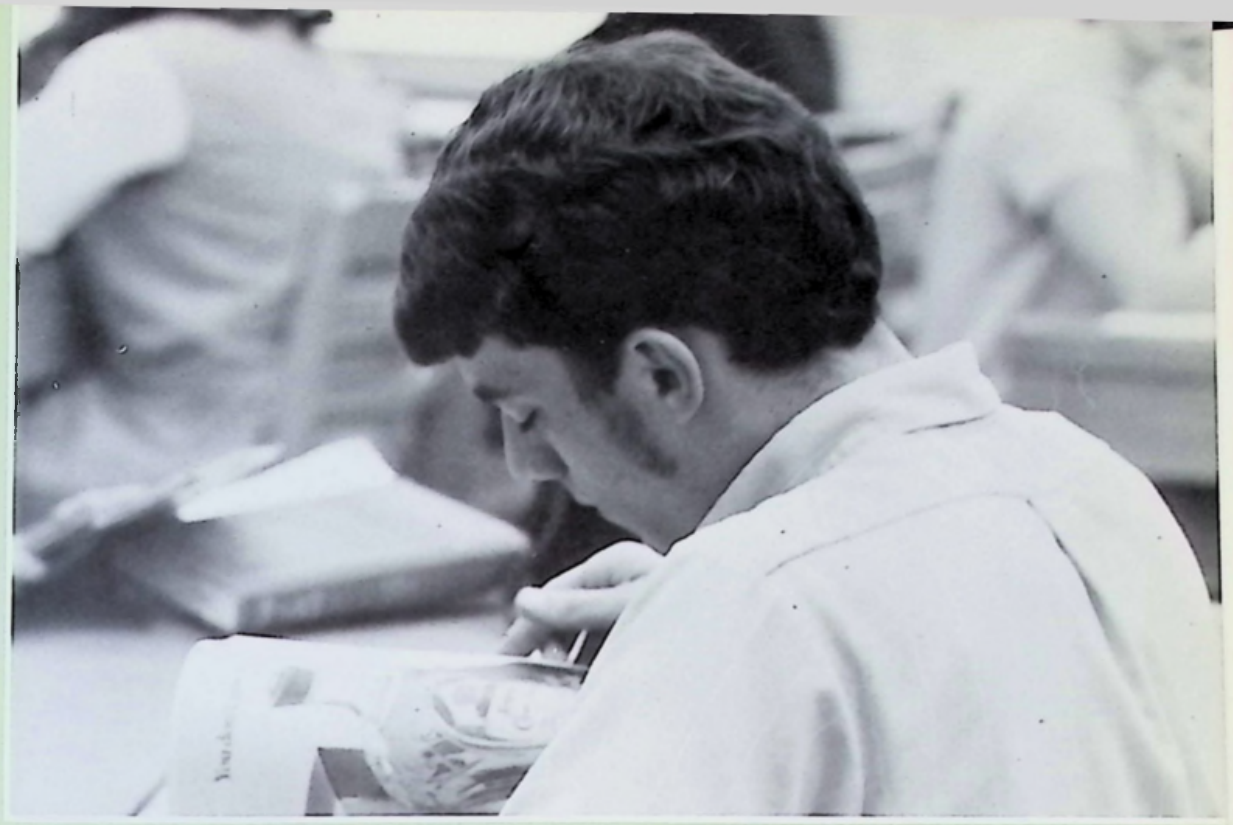
It is a time to reflect
and to catch your image
in the mirror that
reflects the Southmoreland
Experience
before time
runs
out . . . And the Senior year
is over.

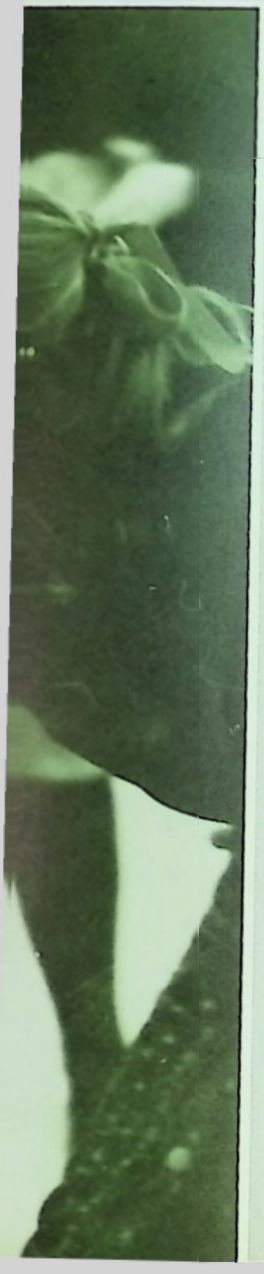




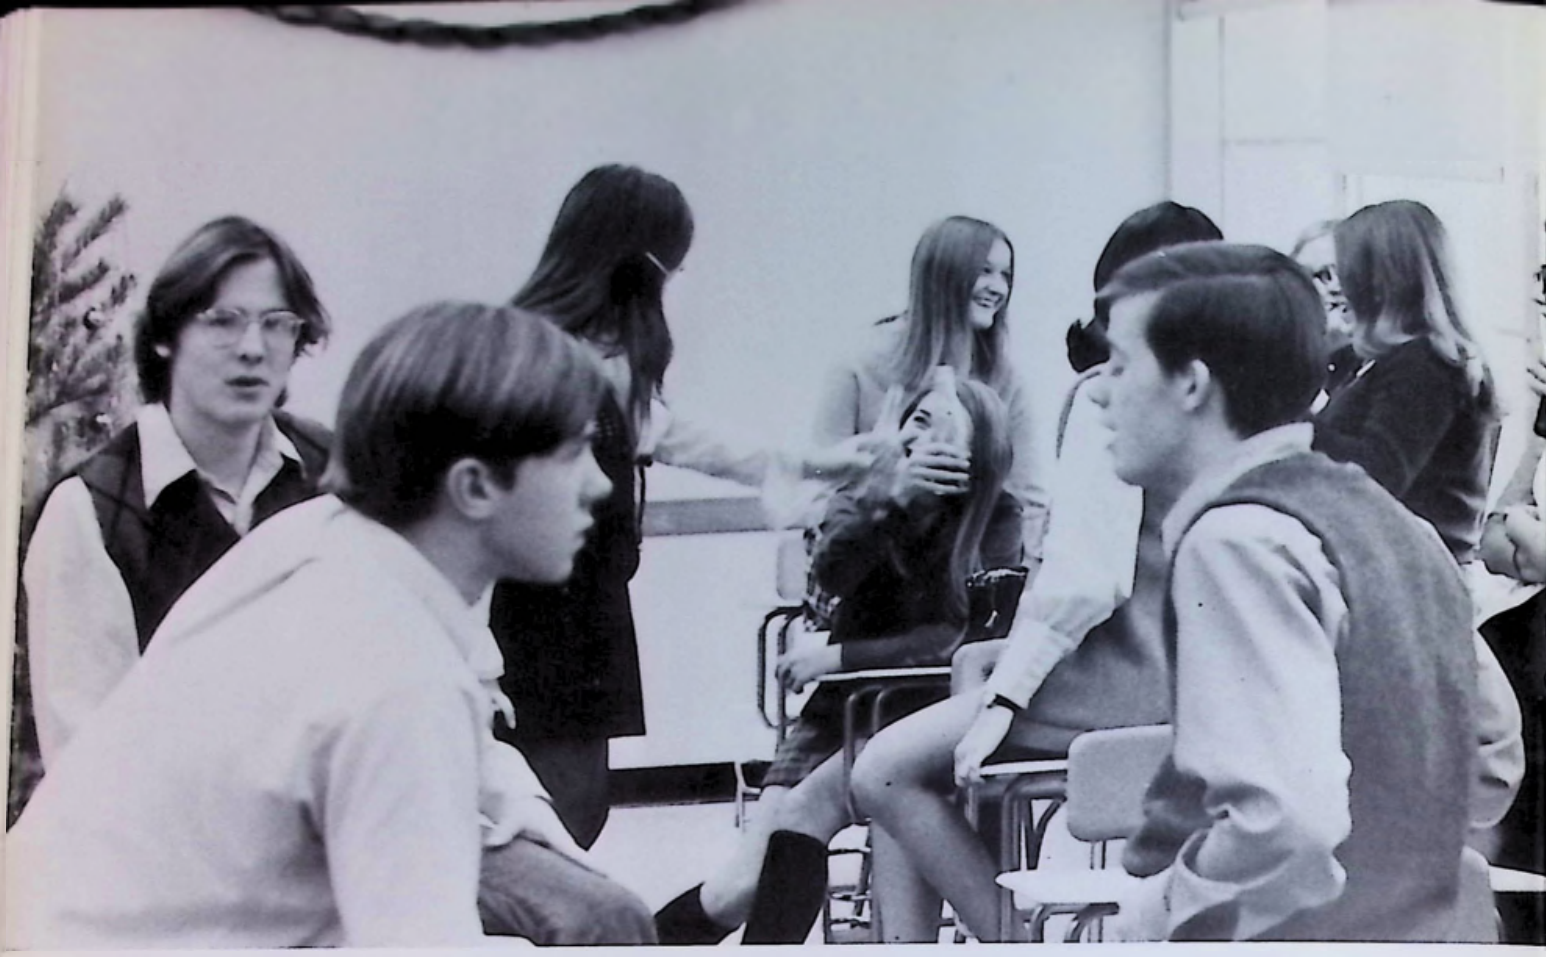


A Time for Concentration . . .





A Time for Preparation



Seniors —

it happens every New Year

Christmas time seems
to annually initiate
the contagious disease
known as
Senioritis.

Once contracted,
it is impossible to
heal — and frequently
observation and tests
confirm the diagnosis.

Listening, sharing, meditating, studying, probing, laughing, discovering, debating, understanding, questioning, trying, guessing, hoping, planning, building, wondering. For twelve years, we lived together. We learned. We confronted each other and explored ourselves.

Now we are to become part of a larger world.
We are free to make new commitments.
We are not divorced from the years behind us —
We are the record of those years.

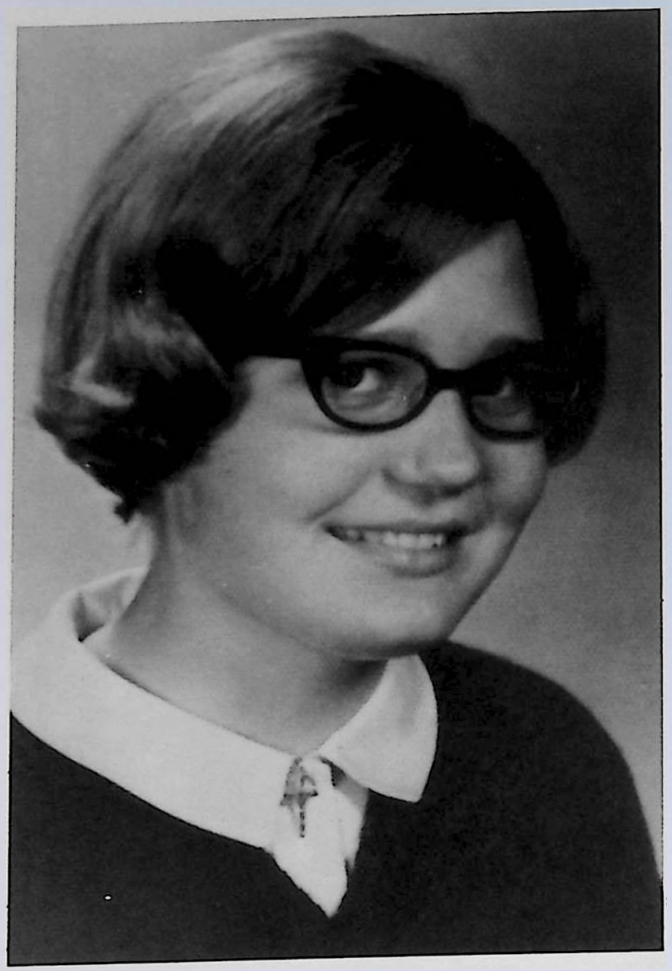
. . . In Memoriam



Miss Judy Rudnik

. . . A dirge for her, the doubly-dead,
In that she died so young.

Edgar Allan Poe from LENORE

. . . In Memoriam

Mr. James R. Stimme

. . . His life was gentle, and the elements
So mixed in him, that Nature might stand up,
And say to all the world, this was a man.
